**Introduced by Assembly Members Alejo and V. Manuel Pérez**

February 18, 2011

An act to amend Section 33330 of the Health and Safety Code, relating to redevelopment.

LEGISLATIVE COUNSEL'S DIGEST

AB 1250, as introduced, Alejo. Redevelopment: planning.

The Community Redevelopment Law authorizes the establishment of redevelopment agencies in communities to address the effects of blight, as defined, in blighted areas in those communities known as project areas. Existing law requires each agency to prepare a redevelopment plan for each project area and to consult with the planning commission of the community and with the project area committee, if applicable.

This bill would make technical, nonsubstantive changes to this provision of law.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.
